# Christmas 2022 Terms and Conditions of Booking

While we appreciate the ongoing uncertainty of COVID-19 as we head into the festive season the following terms and conditions will apply to all Christmas bookings:

Terms and Conditions apply to all guests attending Christmas events.

If we are unable to open due to government restrictions imposed upon us, we will refund any money paid. However, please note that refunds will not be given for any other reason including failure to attend due to COVID-19.

We require the deposit payment to reserve a booking, with full payment & choices (inc. dietary requests) 14 days prior to the date.

We regret that all payments received are non-refundable and non-transferable.

No refunds will be given for any reason including inability to attend due to COVID related reasons.

We regret that multi payments are not acceptable for one party booking. We can only accept one method of payment per party group, and this is the responsibility of the party organiser to collect all monies owed.

Should you wish to increase your numbers we will do so if we have availability.

We will allocate you a room suitable for your numbers. Should your numbers decrease we reserve the right to move your function to a different room than the one originally booked in accordance with the business needs.

We regret that should your party decrease in numbers; payments cannot be offset against food, drinks, or accommodation.

Minimum number requirements are in place for private room bookings. Should your numbers fall below this you will still be charged the minimum number requirement, or your booking will no longer be classed as private.

Christmas Party Nights: the DJ and disco is complimentary to guests attending a Christmas party night. Should circumstances change and we are unable to have a DJ and disco due to Welsh government restrictions imposed upon us but are still able to provide food and drink, this will not be classified as a reason to have a refund.

No additional food and drink are permitted into the hotel by party organisers or guests.

We would advise all party organisers to ensure that all guests attending are aware of the above terms and conditions so that no offence is caused to non-attending guests.

We are unable to guarantee taxi bookings, so please organise in advance.

Please sign and date below to acknowledge your acceptance of the terms and conditions:  
I can confirm that myself and my party agree to abide by the terms and conditions as laid out above.
